Award winning commercial cleaning

100% QUALITY RETENTION

Berry Cleaning is a Cardiff owned and operated commercial cleaning company. We pride ourselves on providing a professional service and delivering the highest possible cleaning standards to our customers.

Our reputation is built from the relationships we've made and continue to make, and by maintaining our 100% quality retention rate that we have achieved for 10 years running!

We really do care about our clients and will always go the extra mile to ensure our clients feel that they are valued and most of all, getting excellent overall value.

WE REWARD YOU

Our BLS reward scheme gives you the option of having money off your invoice, free additional services, or you can plant trees with Berry and we will give your business a mention in our yearly Ecologi news article!

Ecologi

This year, Berry has planted over 1000 trees with Ecologi.

By working with Berry, your business will reduce its carbon footprint whilst supporting your own sustainability target.
